ALMA MATER

(First Stanza) – Adapted Charlotte N. Hardee

West Chester, hail, all hail, noble and strong,

To thee with loyal hearts we raise our song,

Swelling to Heaven High, our praises ring,

West Chester, hail, all hail, of thee we sing.

ACADEMIC RECESSIONAL

“La Mourisque” from *The Danserye* Tylman Susato

Candidates for the Baccalaureate Degree

COLLEGE OF ARTS & HUMANITIES

* Citali Aguilar	* Amanda Lynn Clark	Gavin Mitchell Good

PROGRAM NOTES

Academic Dress at West Chester University

Academic dress was introduced at West Chester University (then West Chester State Normal School) in 1921 as an important feature of the institution's 50th Anniversary celebration. Black caps and gowns were worn by the Class of 1921 at three different ceremonies during the week of June 12, 1921, marking the school's Golden Jubilee.

Academic Dress Today

Today's graduates wear one of three types of gowns. The bachelor's gown is black, untrimmed, with long, slightly pointed sleeves. It is always worn closed. Recipients of associate degrees also wear the bachelor's gown.

The master's gown is also black and untrimmed, but its sleeves are long and square at the bottom, except for a circular cut at the front just above the bottom. The sleeves are sewn shut with slits, either just above the wrists or above the elbow, through which the wearer's hands protrude. The master's gown may be worn open or closed.

The doctoral gown features full sleeves and velvet trim consisting of a strip down either side of the front closing and three narrow strips on each sleeve. The trim may be black or in the color that represents the subject in which the wearer received their doctorate. While the doctor's gown is usually black, graduates of some universities have brightly colored robes, such as those in "Yale" blue or those from Harvard or the University of Chicago, which are in different hues of red.

The traditional mortarboard hat is made of the same material as the gown and usually has a black tassel. Doctors' hats may be made of velvet and may have tassels of gold or in the color of the wearer's degree. Some universities

have special styles of hats for holders of their doctorates.

The colorful hoods designate the degree of the wearer, the subject in which the degree is held, and the institution that awarded the degree.

The colors of the lining identify the institution. For example, bachelor and master graduates of West Chester wear a hood that has a purple lining with a gold chevron while those earning doctoral degrees wear a hood that has a yellow lining with a purple chevron.

The length of the hood and the width and color of its velvet border show the degree held. Bachelors' hoods are 3 feet long and have trim 2 inches wide. Masters' hoods are 3 ½ feet long and have trim 3 inches wide. Doctors' hoods are 4 feet long and have trim 5 inches wide.

Seals

The seal of the University plays an important part in today's ceremony. Seals have been used since ancient times to authenticate documents. The diplomas to be received by today's graduates will bear the University seal. The chain of office worn by the president and the medallion worn by the provost are inscribed with the seal.

The West Chester University seal, like those of most Pennsylvania state system universities, consists of the seal of the Commonwealth of Pennsylvania surrounded by the name of the institution and its founding date. A copy of the seal is stamped on the front of today's program.

West Chester University Mace

The mace has a history as a symbol of authority in civil and academic processions. Now ceremonial, the mace was originally a formidable weapon held ready to protect the dignity in a procession. The position of

macebearer for the University is given to a senior faculty member or one who is being honored by the Council of Trustees and/or the University's senior administration. The macebearer always precedes the president in the procession.

The Chain of Office

Collars or chains of office historically have been worn by many academic officials including chancellors, rectors, and presidents of universities.

The West Chester University chain of office is 48 inches long. It is made of sterling silver with gold-plate details. The chain supports a medallion made of purple acrylic in a sterling silver frame. The center of the medallion carries the engraved, gold-plated sterling silver seal of the University. The frame of the medallion is engraved with "WEST CHESTER UNIVERSITY."

It has a keystone incised with the University's founding date "1871." The keystone is flanked with a design of horses and mushrooms symbolizing Chester County's agricultural heritage.

The chain of office was designed and made by internationally known silversmith Kurt Matzdorf. It is a gift from the West Chester University Alumni Association.

Provost's Medallion

The provost wears a medallion and chain presented to West Chester University by the Class of 1938. The design of the medallion matches the centerpiece of the president's chain of office.

The medallion frame is engraved "Vice President for Academic Affairs and Provost." The chain is made of links alternating between the West Chester University monogram and a symbolic open book. It was executed in sterling by Kurt Matzdorf. The

medallion was given by the Class of 1938 in anticipation of its 50th Anniversary celebration.

The Anderson Medals

Today's student speaker and student trustee wear the Anderson Medals, bequeathed to the University by Robert S. Anderson, Class of 1923.

Mr. Anderson donated the medals in honor of one of the University's literary societies that flourished on campus during the normal school days. The group sponsored lectures, entertainments, plays and debates, and published a magazine known as *Amulet*.

Robert Anderson was awarded the medals for being debate champion during his years at West Chester. They are of dark, rich gold. On the obverse

are a torch, laurel leaves, and the literary society motto, "Finis coronat opus," "The end crowns the work." On the reverse of each is the inscription to Anderson for the occasion on which the medal was awarded. The medals are suspended on gold cords.

Batons

The marshals are responsible for directing members of the procession to their proper places, and the batons serve as the symbol of their authority. Made of highly polished wood, the batons are decorated with ribbons of purple and gold, the West Chester University colors.

International Flags

The flags behind the platform today represent the countries of our

graduating international students and the countries in which West Chester University students have studied.

The 1871 Award

The 1871 Award, established in 2018, recognizes up to 71 students each year who are high-achieving in academics, leadership, community engagement, and career readiness.

Participation

Participation in Commencement does not necessarily indicate or guarantee degree completion. Publication of this program is completed prior to the end of the semester. Official records are kept in the Office of the Registrar.
