C. Critique

Please take a few moments to respond to the following questions. Your answers will greatly assist us in determining how to improve continuing professional education activities.

1. What were strengths of the activity?

2. What are areas for improvement?
3. Should this activity be offered again?
4. If this activity is offered again, should the same instructor teach it?
5. Did the activity announcement/description have enough information for you to make a sound enrollment decision?
6. What other activity/subject matter would interest you?

D. Additional Comments:
