

Basic Skills Online Prep Course

We are now able to offer an online basic skills preparation course that will prepare you for both the PAPA (Pearson) and the Core Academic Skills for Educators (ETS). This online course will offer pretests and mini-lessons that are designed specifically for your needs.

- If you are interested in this free opportunity, please follow this link (<http://goo.gl/forms/BWpeM8Qddn>) and complete the pre-registration form.
- You will receive a confirmation email within three business days acknowledging that you are registered in the course and that you are able to sign-in and begin your study plan.

If you have any questions or concerns,
contact the College of Education at (610) 436-2321
