

Reading Center Application

Admittance into the tutoring program is not based off of the date from when you applied; staying true to the mission of the program, the Reading Center Coordinator reviews applications* and offers seats to students who need the most help in developing their literacy skills. If your child is offered a seat into one of our tutoring sessions, either the Reading Center Coordinator or other Reading Center representative will contact you (via phone or email). You will be asked to respond to their communication with your acceptance (or deferral).

Perfect attendance is mandatory! The Reading Center's tutoring program not only benefits your child but it also fulfills an imperative Pennsylvania Reading Specialist Certification requirement for your child's tutor. Missing a tutoring session not only compromises your child's literacy development but also the certification of your child's tutor; therefore, full admittance into the program depends upon your commitment to having your child attend every tutoring session throughout the course of the program. Please indicate your acknowledgement and commitment to having perfect attendance at the time of accepting your child's seat into the tutoring program.

Apply any time throughout the year, applications are always being accepted.
