Open Workflow

Click on the triangle to the left of *TeP1 Committee Processing* to expand the queue options

Click on the *TeP1 Pending Additional Review* queue to see your assigned documents.

Review Documents

Double click one of the candidates from your inbox.

The application is displayed in the viewer, but associated documents are available via the work folder on the left.

Double click on the work folder documents to display them in another window for review with the separate window enabled.

The work folder offers a dropdown to display the appropriate documents you wish to view.

NOTE: You do not need to take any action. Your department committee chair will record the recommendation. You only need to prepare for this meeting by reviewing the candidate documents.
