GRADUATE ASSISTANTSHIPS

- A graduate assistantship is an opportunity to work on campus in a research or service-oriented capacity to gain valuable work experience in higher education or an academic field while earning a stipend and tuition waiver.
- Graduate assistants work **5-20 hours per week** depending on the size of the assistantship. **Stipends range from \$1,250-\$5000 per semester**, and tuition waivers cover 3-12 credits of tuition. Students pay all fees.
- Students **enrolled in graduate degree programs** who are in **good academic standing are eligible**. (Certificate programs are not eligible.)

HOW TO APPLY FOR A G.A. POSITION

- As a current student, you should contact the graduate coordinator of your degree program to discuss your interest in an assistantship. Academic departments typically hire students from their own programs due to the nature of the work.
- Search for positions on the Twardowski Career Development Center's website: HandShake. These tend to be for student service and administrative offices on campus. (Example: Writing Center, Veterans Center, Office of Sustainability, etc.)
- Apply for as many opportunities that interest you. Persistence pays!
- There is general information about graduate assistantships on our website: www.wcupa.edu/gradassistantships. If you have any questions, please e-mail gradassistantships@wcupa.edu

GRADUATE STUDENT ASSOCIATION (GSA)

- **Student governing body for graduate students**
- **Promotes well-being of graduate students**
- **Professional development opportunities**
- **Social programming & events**
- **Advocates for graduate student needs**
- **Graduate representation on various university committees**
- **Leadership opportunities**
