Terms and Conditions

The Department of Education has implemented federal regulations that authorize this University to administer Title IV financial aid funds. Title IV funds are financial aid you may receive in your financial aid package from the University and include:

- Federal Pell Grant
- Federal Supplemental Education Opportunity Grant (SEOG)
- Federal Perkins Loan
- Federal Education Loan Program
- Stafford(Direct) Loan Program - Subsidized and Unsubsidized
- Parent Loan

Federal regulations stipulate that Title IV financial aid funds can not be applied to your student account until ten (10) days prior to the first day of classes. Federal regulations further require that the University apply your Title IV financial aid funds to 'allowable charges', which are tuition, mandatory fees, and housing and board charges contracted with the University. The University also allows many departments to assess charges to your student account in order to consolidate billing. Some of these charges might include Parking Permit fees, Health Center charges, and other miscellaneous charges. Federal regulations require the University to obtain your authorization to apply your Title IV financial aid to all charges appearing on your student account.

Your permission to authorize financial aid to pay for these charges will expedite the settlement of your student account. If authorization is not received prior to the settlement due date, the Title IV financial aid funds will not be applied to all charges. This may result in an outstanding balance on your student account and cause late charges to be assessed.

You are not required to give authorization but if so, you may rescind the authorization at any time in person at the Bursar's Office during normal business hours. Once the authorization is signed the Secretary of Education considers the initial authorization to continue to be valid for future years so long as the University notifies the student/parent in subsequent years before applying the Title IV financial aid to the student's account.
