

**Librarians** are ready to help you with your research needs anytime between **10am and 9pm**. You can **chat**, **email** or **text** a question.

**Discover** resources available to you online, free for you to use.

**Home Delivery** is now an option. You can request books and other physical items to be mailed to you through the library catalog.

**Request** book chapters and articles from print collections we have locally available or from other libraries. We will deliver to your [wcupa.edu](http://wcupa.edu) account.

**Watch** video tutorials dedicated to using library services and resources online.

For more question about our remote services, or to find your favorite librarian, go to [library.wcupa.edu](http://library.wcupa.edu).
