VIRTUAL RESOURCES

Handshake

Handshake is a one-stop career platform that connects you with internships and jobs opportunities. It highlights Career Development Center and employer events that happen on-campus, off-campus, and virtually.

wcupa.joinhandshake.com

Interstride

International students use this resource to learn more about beginning a career in the US, to explore employment trends and opportunities in the US, to network with fellow international students and alumni, and to learn about global opportunities.

[access through handshake](#)

Ram Nation

Ram Nation is a flash mentoring platform where students and alumni can identify and connect with mentor for an informational interview, a job shadow or a mock interview.

ramnation.wcupa.edu

QuadJobs

QuadJobs is an online marketplace that connects students with local part-time and seasonal jobs. Common QuadJobs gigs include babysitting, party help, tutoring, office work, furniture moving, errands, dog walking, and more.

quadjobs.com

My World Abroad

My World Abroad is an online tool that can help students who want to go abroad for working experience, volunteering, or interning. Peruse 4,000 searchable resources, 300 expert articles and inspiring student stories while you raise your international IQ.
