

SUSTAINABLE WCU

Welcome to West Chester U from the Office of Sustainability and the Sustainability Council! WCU works to achieve environmental, social, and economic sustainability. Here are just a few of the ways we're striving to create a healthy, vibrant, socially equitable, and environmentally responsible institution in Chester County.

Stay connected by subscribing to the weekly email bulletin on our website and following us on social media!

TRANSPORTATION

It's easy to live and work Car-Free at WCU! Campus shuttles, the Uptown Loop, Share-A-Ride, a Bicycle Lending Library and more! Check out details at <https://www.wcupa.edu/transportation/>

GREEN SPACES

Visit the Gordon Natural Area and volunteer in one of our four organic gardens. Learn more at <https://www.wcupa.edu/gordonnaturalarea/> and <https://www.wcupa.edu/campusgardens/>

ZERO WASTE

We're working to be a Zero Waste campus and you can help us get there with good recycling and composting practices. Learn more at <https://www.wcupa.edu/recycling/>

STUDENT INVOLVEMENT

Students are sustainability leaders at WCU in student organizations like Veg Out and Students for Sustainable Action, in student intern positions, as Sustainability Peer Educators, and with committees and working groups of the Sustainability Council.

To get involved, use the RamConnect website (<https://ramconnect.wcupa.edu/>) for student organizations and the Office of Sustainability homepage (www.wcupa.edu/sustainability) to connect with the SPE's and the Sustainability Council.
