

HOUSING WAITLIST INFORMATION

2017-2018

Timeline:

March 27 - 31: *Students who had complete applications but were denied* North or South Campus Housing were offered the opportunity to complete a priority waitlist application, using credits-based criteria. After March 31, students will be considered on a first-come, first-served basis.

Monday, April 24: Waitlist applications will be available on a first-come, first-served basis for all other students still interested in on-campus housing.

On-going through the Summer: Students will be updated via e-mail regarding the status of the waitlist and/or housing offers.

Process:

- This waitlist is for current students seeking spaces in the North Campus Traditional residence halls or the South Campus Apartments. College Arms spaces are not available at this time and do not typically become available.
- Waitlist applications will be available to all students starting on Monday, April 24, and will be distributed in a first-come, first-served, numbered order. Numbering of applications will begin after the series of numbers that were reserved for students who were previously denied housing.
- Students who are offered housing, and have previously paid the deposit, will not be required to pay an additional deposit. If the deposit was refunded, a new deposit may be required.
- Students who require local housing in order to attend West Chester University are encouraged to pursue other options, including University Student Housing communities or off-campus housing.
- If spaces are available, students will be contacted via e-mail and will generally have 48 business hours to respond to the offer. During the last three weeks of August, a response may be required within 24 hours. Students should check their WCU e-mail daily Monday—Friday to ensure they do not miss an offer of housing.
