

# Student Information System Decision Summary

**Decision Element: Summer Term Structure**

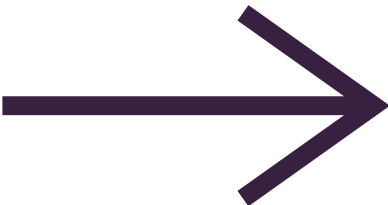

**Executive Summary:**  
The term is tied to the class schedule, student record, and system configuration such as aid year.  
**Banner Term:** STVTERM

**3 Summer Terms**  
Summer I 2024 - 2242  
Summer II 2024 - 2243  
Summer Post 2024 - 2244

**Moving to 1 Summer Term**  
Summer 2024 – 202420

**For conversion of academic history, we need to preserve our Summer II and Summer Post terms:**  
Summer I 2023 – 202320  
Summer II 2023 – 202321  
Summer Post 2023 - 202322

**Impact & Decision Context**  
-> WCU will be moving towards 1 Summer semester beginning Fall 2024, with parts-of-term (or, as we know them, sessions).  
-> Prioritizes flexibility  
-> Allows terms to remain in order, for student class search.  
-> Has clear mapping to other PASSHE institutions.
