

West Chester University
Department of Art + Design

Summer visual arts camp

**JULY 11 thru
JULY 22**
AGES 7 - 15

Ages: 7 to 15. **Dates:** July 11th thru July 22nd, 12:00 pm to 4 pm. With **hands on experience** students will explore the various areas within the studio arts. Studio activities include **painting, drawing, ceramics, mixed media, and digital art.** Each student will be encouraged to investigate the various techniques with an emphasis on personal expression.

Studio Activities

Ceramics

Sculptural hand building and wheelthrowing techniques as well as glazing and finishing will be explored.

Drawing

Students will study traditional still life and on-site landscape sketching.

Painting

Acrylics will be used to develop abstract and realistic still-life studies. Color theory will also be investigated.

Digital Art

An introduction of the use of the computer as a tool to create solutions to graphic design problems.

Mixed Media / Fiber Art

Students will fabricate original designs using a variety of fibers and textiles.

Sculpture

Students will design and build their own three dimensional art forms.

Mosaic

Using small pieces of tile and china, students will form their own mosaic designs.

Student Art Exhibition

All students will exhibit their works in the John H. Baker Gallery at E. O. Bull Center for the Arts on a date TBA.

Registration: To register for the Summer Arts Camp use this link, <https://www.wcupa.edu/arts-humanities/art-Design/forms/visualArtCamp/>
