BRIEF PROGRAM REQUIREMENTS – See D2L post-bac site for more detail:

- **GPA.** Students must maintain a GPA of 3.0 and have a GPA of 3.0 at the conclusion of their program. They must earn a *C* or above on required courses taken as part of the certification program.
- **FATE & TOWC.** Pre-requisites for taking the advanced English methods courses (ENG 390 and 392) include formal admission to teacher education (FATE) and EDS 505 (EDS 306). Students must pass the English Department's Test of Writing Competency (TOWC) before being formally admitted. This test is offered once in the fall and once in the spring. While we announce the test as much as possible, it ultimately is the student's responsibility to find out when the test is given and to make arrangements for attendance.
- **Portfolio.** Students must submit a successful writing portfolio *at least two semesters before* student teaching.
- **Praxis II.** Students must *take* the PRAXIS II subject assessments in English Language, Literature, and Composition before student teaching; students must *pass* this exam before receiving certification from WCU and the state of Pennsylvania.
- **Class times.** Required courses at the undergraduate level (ENG 390, ENG 392, and LIT 398) are offered during the day and during late afternoon and evening times on a rotating basis. Regardless of the class time, however, students should be aware that ENG 390, ENG392, & EDS411/412 require attendance for in schools during daytime hours.

FORMAL ADMISSION TO TEACHER EDUCATION (FATE):

“Formal admission” means that you have met the requirements to do advanced study in the teacher education program. To be formally admitted, you must have completed required courses (three credits in composition and three in literature for those candidates *without* an undergraduate degree in English), attained the required GPA (2.8), and passed the English Department's Test of Writing Competency. Then submit both the FATE and the FATE II form.
