NOTES on GENERAL EDUCATION REQUIREMENTS:

If placed into, and pass, WRT 200, no need for WRT 120 (but still needs 120 credits for graduation) / **Enrolled in ENG Q20** > needs C- or better to enroll in WRT 120. ENG Q20 counts for GPA but not towards 120 total credits. / **WRT 120** = if failed 3 times = dismissed from univ.
- (2) **Math SAT < 430 => MAT Q01 / Math SAT 440 to 470 or passed MAT Q01 with C- or more > MAT Q00 / Math SAT > 480 may enroll in any GenEd Math course.** / If planning on taking **MAT 161**, Calculus I: Math SAT 480-580 > placed into MAT 110 precalculus; > 590 = MAT 161. NOTE: Credits earned in MAT Q00/Q01 = into GPA not for 120 total credits.
- (3) A **J course** might fulfill other requirements at the same time, but not I & J at the same time.

Formal Admission to Teacher Education [FATE] & Second Language Certification [K-12] Testing Requirements in Pennsylvania:

- Undergraduate foreign language students seeking initial certification must take a series of basic skills tests *unless they have met SAT/ACT passing criteria set by the PA Department of Education.*

For more information about this option or registering for the Basic Skills tests, go to:

<https://www.wcupa.edu/education-socialWork/basicSkills.aspx>

- **Formal Admission into Teacher Education (FATE):** In addition to passing scores on basic skills tests, certification candidates seeking FATE must have:

- a) a cumulative GPA of 2.8 or higher,
- b) 48 completed college-level credits on their transcripts,
- c) 3 earned credits in English literature
- d) 3 earned credits in English composition, and
- e) 6 earned credits in college-level mathematics.

- **Praxis II exam.** There is one (1) Praxis II exam: **Fundamental Subjects: Content Knowledge (#5511)**

The Fundamental Subjects: Content Knowledge (#5511) Praxis II is a PDE requirement for **ALL** K-12 certification students in the state, and therefore must be taken and passed in order to be recommended for certification. The "Fundamental Subjects: Content Knowledge" Praxis II must be taken by world languages certification students prior to enrollment in EDS 411/412.

- **ACTFL/LTI Oral Proficiency Interview (OPI) and Writing Proficiency Test (WPT)**

For more information, go to the following link and select your Subject Area:

<http://www.wcupa.edu/education-socialWork/subjectAreaTests.aspx>

- For national recognition, the Department of Languages and Cultures, along with ACTFL and CAEP (formerly NCATE), requires OPI and WPT testing with the expected achievement of **Advanced Low (AL)**. The Pennsylvania Department of Education (PDE) requires teacher candidates score **Intermediate High (IH)** on the ACTFL OPI and WPT; consequently, those student who reach IH or AL on the OPI and WPT are recommended in PDE's Teacher Information Management System (TIMS) for K-12 certification by the College of Education. Students enhance their career options and competitiveness in the job market by achieving AL.
- The Department of Languages and Cultures recognizes that school districts are looking for candidates who meet the ACTFL requirement of AL on the WPT and OPI. Therefore, for those teacher candidates who do not reach AL on the OPI or the WPT, we create remedial plans informed by a candidate's OPI or WPT diagnostic feedback acquired from ACTFL/LTI.
- Students failing to achieve either IH or AL will be permitted to complete the **BA without certification** in their language of specialization.
- Before enrolling in EDS 411/412, certification candidates will work with designated faculty members to request and take second language proficiency tests offered through ACTFL/LTI. The OPI is administered by a certified rater via telephone; the WPT is administered online and/or as a paper exam.
- Achievement of advanced proficiency for non-native speakers requires a significant immersion experience prior to student teaching. The immersion experience can include, but is not limited to, study abroad or intensive summer language programs at a U.S. institution. For this reason, immersion opportunities to increase proficiency should be discussed with an advisor as early as possible in the program, and well before FATE.

Read carefully the section with **Certification FAQs of the Undergraduate Student Handbook on pages 49-52. The Student Handbook can be found under the "Undergraduate" tab on our website, and a printed copy can be obtained from your advisor. Example of FAQs addressed include FATE application and changes from COE:**

11. When do I apply for FATE? Can I get a FATE Delay Permit?

- All FATE applications must now be filed by undergraduate students once they have earned **between 48 and 60 credits**. Because PDE has expanded the list of courses requiring FATE to include all upper-division professional education courses, there will be a much **narrower window** for candidates to apply for and to attain FATE.
- Students are no longer allowed to take post-FATE courses with the FATE Delay Permit. **FATE Delay Permits are now obsolete (since summer 2015).**
- According to the CESW: **"There are no exceptions and no grandparent clause for these new guidelines"**
