Meetings/Homework Help:

Our meetings are bi-weekly on Tuesday nights in Mitchell 103. On the nights that we do not have meetings, we offer homework help. Homework help will only be held on a need basis, though, so please email us in advanced if you would like it. If we do not receive any emails, we will not have homework help.

**The trip to New York is not officially booked yet, so this is a tentative date. Hopefully everything will get approved with no issues and this date will be definite soon!
