 About the Keiretsu Forum 

Keiretsu Forum is the world's largest private equity angel investor network with more than 1,000+ accredited angel investor members in twenty nine chapters on three continents who have invested more than \$490 million in early stage companies. Since Keiretsu Forum's founding in 2000, members have invested in companies in technology, consumer products, healthcare/life sciences, real estate and other segments with high growth potential. Forum members collaborate in the due diligence, but make individual investment decisions, with rounds in the range of \$250k-\$2m. The Keiretsu Forum's

community is strengthened through education on angel investing, as well as charitable giving. Forum members have donated over \$1m to over 100 non-profit organizations. For additional information please click [here](#).
