Introduction & Acknowledgements

This Fact Book provides some of the most commonly requested information about West Chester University. Much of the information is drawn from the University's database and state mandated reports. Other offices and sources used are cited throughout the document. The cooperation of those offices and sources is much appreciated.

The Fact Book is divided into several chapters: Admissions, Enrollment, Retention/Graduation Rates, Academic Degree Programs & Accredited Programs, Graduation/Degree Information, and Resources (including financial aid), Services and Facilities.

Comments and suggestions about additional information that might be included are much appreciated. Please forward your suggestions to ninamdar@wcupa.edu.

Additional institutional information is available on our website: <http://www.wcupa.edu/infoservices/oir/>

General Information

Statement of Mission and Goals

West Chester University is a community of educators that develops graduates to succeed personally and professionally and contribute to the common good.

WCU GRADUATES WILL:

- Apply scientific reasoning and demonstrate quantitative and qualitative literacy
- Collaborate with others to solve problems and address societal needs
- Communicate effectively and participate in civic discourse
- Engage inclusively in a diverse society
- Understand the ethical implications of decisions and the world in which they live

INSTITUTIONAL GOALS:

To fulfill its mission as a public institution serving the Commonwealth, West Chester University will focus on student success and institutional improvement as measured by the degree to which WCU demonstrates:

- Access to learning
- Community and cultural engagement
- Continuous improvement
- Critical thinking
- Inclusion
- Scholarly and creative activities
- Sustainability

About West Chester University of Pennsylvania

West Chester University offers bachelors and masters degrees in the arts and sciences, teacher training and certification, advanced study preparation in fields such as medicine and law, education for specific professions, and continuing education.

Total enrollment at West Chester University includes 14,344 undergraduate students and 2,732 graduate students. This represents the IPEDS unduplicated headcount. While most undergraduates are recent high school graduates preparing for career objectives, many others are older individuals, including veterans and homemakers, who either never before had the opportunity for a college education or whose schooling was interrupted.

Most students are residents of Pennsylvania but students from other states and foreign countries are welcome. The student body at West Chester University represents a cross section of many ethnic, racial, and religious groups and includes students from all socioeconomic levels.

Like the world around it, West Chester University is constantly transforming. The school continues to broaden and modify the nature and number of its programs to reflect the needs of its students in their endeavor to prepare themselves for success and fulfillment in life.

The History of West Chester University of Pennsylvania

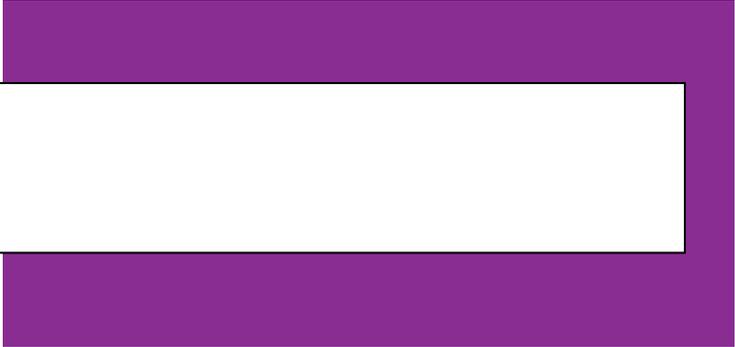

Founded in 1871, West Chester University began as West Chester Academy, a private, state-aided school that existed from 1812 to 1869. The academy enjoyed strong support from the highly intellectual Chester County Cabinet of the Natural Sciences of the pre-Civil War decades. It was recognized as one of Pennsylvania's leading preparatory schools, and its experience in teacher training laid the groundwork for the normal school years that were to follow.

As the state began to take increasing responsibility for public education, the academy was transformed into West Chester Normal School, still privately owned but state certified. The normal school admitted its first class, consisting of 160 students, on September 25, 1871. In 1913, West Chester became the first of the normal schools to be owned outright by the Commonwealth.

West Chester became West Chester State Teachers College in 1927 when Pennsylvania initiated a four-year program of teacher education. In 1960, as the Commonwealth paved the way for liberal arts programs in its college system, West Chester was renamed West Chester State College, and two years later introduced the liberal arts program that turned the one-time academy into a comprehensive college.

In recognition of the historic merit of the campus, in 1981 the West Chester State College Quadrangle Historic District was placed on the National Register of Historic Places. The buildings included in this historic district are Philips Memorial Building, Ruby Jones Hall, Recitation Hall, and the Old Library. Except for Philips, these buildings are all constructed of native Chester County serpentine stone.

West Chester State achieved another major milestone with passage of the State System of Higher Education bill. West Chester became one of the 14 universities in the State System of Higher Education on July 1, 1983. Along with its new name -- West Chester University of Pennsylvania of the State System of Higher Education -- the institution acquired a new system of governance and the opportunity to expand its degree programs.

ADMISSIONS

Undergraduate Admissions Standards

West Chester University prides itself on the holistic approach used in evaluating applicant credentials. Each application is reviewed individually, and we carefully consider scholastic performance and academic preparation to determine an individual's potential for success.

For general admission, as a first-year student, the Office of Admissions requires successful completion of a college preparatory curriculum in high school. Honors and AP level courses are preferred. Submitting SAT or ACT scores was optional, not required, for students applying to WCU in Fall 2023. The academic profile of the first year students who enrolled at West Chester University in Fall 2023 and provided test scores is a mean SAT combined score of 1,184 and mean ACT score of 26, a rank in the 64th percentile or top 36%, and a grade point average of 3.46.

Applicants who do not meet regular admissions standards may be considered for a special admissions program if appropriate or denied admission and counseled to enroll at another college or university for a minimum of 24 credits before reapplying as a transfer student.

Individuals who have been enrolled in any post-secondary institution after graduation from high school and/or have attended West Chester University on a non-degree basis must apply as transfer students. A minimum cumulative grade point average (GPA) of 2.00 is required for transfer consideration. Some academic departments have established prerequisite course work and specific grade point average requirements for admission. Special consideration is awarded to graduates of Pennsylvania community colleges and to students transferring from other universities in the Pennsylvania State System of Higher Education. Specific information may be obtained from the Office of Admissions. Applicants whose secondary school credentials would not warrant admissions consideration as a first year student have an alternate pathway to apply as a transfer student. This requires the successful completion of at least 24 semester hours of transfer credit prior to applying as a transfer student.

*Number and percent of original cohort who have graduated within 4 years (before 5th fall).

With degree sweeps and IPEDS exclusions through 10/2023.

**TRR: Total Retention Rate. The total number of students from the original cohort that have graduated or are still enrolled.

***Cohort number is adjusted for IPEDS exclusions in the year the exclusion occurred.

Second-Year Retention Rates for First Time, Full-Time, First Year Degree-Seeking Student Cohorts by Gender

Professional and Program Accreditations

West Chester University is accredited by

The Middle States Commission on Higher Education (MSCHE)

Accreditation Board for Engineering and Technology (ABET)

Accreditation Council for Education and Nutrition and Dietetics (ACEND)

Accreditation Review Commission on Education for the Physician Assistant, Inc. (ARC-PA) – Provisional*

American Psychological Association Commission on Accreditation (APA)

Association to Advance Collegiate Schools of Business (AACSB)

Commission on Accreditation of Allied Health Education Programs (CAAHEP)

Commission on Accreditation of Athletic Training Education (CAATE)

Commission on Collegiate Nursing Education (CCNE)

Committee on Accreditation for Respiratory Care (CoARC)

Council for Accreditation of Counseling and Related Educational Programs (CACREP)

Council for the Accreditation of Educator Preparation (CAEP)

Council on Academic Accreditation in Audiology and Speech-Pathology (ASHA)

Council on Education for Public Health (CEPH)

Council on Social Work Education (CSWE)

Forensic Science Education Program Accreditation Commission (FEPAC)

National Association of Schools of Art and Design (NASAD)

National Association of Schools of Music (NASM)

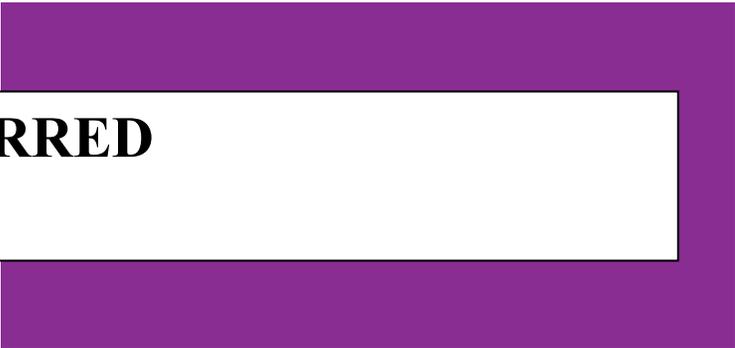

National Association of Schools of Theatre (NAST)

National Environmental Health Science and Protection Accreditation Council (EHAC)

Network of Schools of Public Policy, Affairs, and Administration (NASPAA)

Planning Accreditation Board (PAB)

* The ARC-PA has granted Accreditation-Provisional status to the West Chester University Physician Assistant Program sponsored by West Chester University.

DEGREES CONFERRED

Degrees Conferred in 2021-22 and 2022-23

Counts include Baccalaureate (Primary and Secondary Major), Master's, and Doctoral degrees. Degree sweeps are included in the counts.

College of Arts & Humanities

Art & Design:	2021-22	2022-23
