COVID-19 (Coronavirus) Update
Mask Policy:
Due to Federal Executive Order 14042, all Pearson VUE owned and operated test centers will again require that all persons entering the test center wear a face mask. In addition, many Pearson VUE partner test centers may also reinstitute a mask mandate due to this Executive Order.
Effective December 1, 2021, all candidates will be required to wear a face mask while inside a Pearson VUE owned and operated testing center.
If you are testing at a Pearson VUE partner center that also requires masks, you are expected to comply. Different test centers may have different mask policies. If you have any questions about the mask policy at a specific location, please contact the test center directly. Candidates who are unwilling to comply with mask requirements at a test center will be refused testing. Refunds will not be issued. Candidates may of course continue to wear a mask if they choose at sites without the requirement.
For your health and safety at test centers:
In support of your health and safety and the health and safety of our employees, we will follow recommendations from the CDC and World Health Organization for preventing the spread of COVID-19. Therefore, we ask that candidates comply with the health and safety guidelines outlined on Pearson's COVID-19 webpage
