ACHIEVING Teacher Candidacy at WEST CHESTER UNIVERSITY

What is Teacher Candidacy?

Teacher Candidacy is the application process that confirms your intent to pursue teacher certification at West Chester University. *It is not automatic – you must apply!*

What does it entitle you to?

Access to advanced coursework is available **only** to students with Teacher Candidacy. When students achieve Teacher Candidacy status, West Chester University adds the MILESTONE of EDF030 to their academic record. The MILESTONE is a prerequisite to all advanced professional education courses. The MILESTONE (EDF030) is not a course, carries zero credit, and in no way affects your cumulative GPA or tuition charges. It will appear on your MyWCU to confirm your **Teacher Candidacy** status.

What are the requirements for Teacher Candidacy?

- You must have earned a minimum of 48 credits at the college-level (100 level or above). The credits
 may have been earned at West Chester University and/or another institution or institutions.
- You must have earned a minimum cumulative GPA of 2.8 for all courses on your transcript/s.
- You must have achieved a passing score as established by the Pennsylvania Department of Education on the SAT or ACT or PAPA or CORE or a combination of qualifying scores currently specified by for Teacher Candidacy.
- You must have passed the Test of Writing Competency.
- You must have the recommendation of your major department by approval of your advisor(s). Department recommendation may be contingent upon completion of additional and/or more rigorous requirements than the criteria described above.

When should I apply?

You should apply for **Teacher Candidacy** as soon as you have met **ALL** of the requirements.

What are the steps in the application process?

- 1. Ensure that you have met the requirements for **Teacher Candidacy**, including successful completion of the PAPA, Core Academic Skills for Educators, SAT or ACT or a combination of qualifying scores. Since these examinations test your knowledge and skills developed in the general education portion of your program, most students are prepared and encouraged to take them early in their program; prior to beginning the sophomore year. If you have passed reading, writing, math by one testing vendor, you have the milestone of passed the basic skills tests or Core Academic Skills for Educators.
- 2. Complete the application for **Teacher Candidacy.**
 - Refer to your unofficial transcript in MyWCU to obtain the information for the application.
 - Enter your milestone date for "Passed the Basic Skills Test" or "Core Academic Skills for Educators" if you
 passed using one testing company/vendor. Enter scores if using a combination of qualifying scores currently
 specified by PA Department of Education and West Chester University for Teacher Candidacy.
 - Include PDF(s) of transcript(s) from institution(s) where you earned any transfer credits <u>ONLY IF</u> the credits do not appear on your unofficial transcript in MyWCU <u>OR</u> if you do not yet have a WCU GPA (transfer students only).
- 3. Obtain the departmental approval of your advisor(s). Your advisor's signature signifies that you have satisfied your department criteria for **Teacher Candidacy** and that it recommends you. You must obtain the approval of your academic advisor <u>and</u> Secondary Education Department Chair.
- 4. Submit the application to the Office of Candidate Services by emailing to jmacdonald@wcupa.edu. Your application will be reviewed for final approval for **Teacher Candidacy**. When your application has been approved and processed, the MILESTONE of **Teacher Candidacy** will appear at the end of your unofficial transcript in MyWCU and you will receive a congratulatory email.
