

# **We are excited to invite you to our Fall 2015 Educational Technology Playground**

As part of our EDM 349 - Technology Tools to Transform Teaching and Learning class we have set up some exciting educational technology for you to explore.

This is a very informal event, and no RSVP is needed.

Please feel free to stop by Recitation Hall 311 on Tuesday Sept 22nd between 3:15-4:15pm or Wednesday from 1-2pm to get hands-on with:

- The Printshop app (iPad) and Makerbot (<http://store.makerbot.com/replicator>)
- The Tickle app (iPad) and Parrot Drone (<http://www.parrot.com/usa/products/rolling-spider/>)
  - The Path, Blocky and Go apps (iPad) with Dash & Dot (<https://www.makewonder.com/robots/dashanddot>)
  - The Sphero app (iPad) with Sphero (<http://www.sphero.com/sphero/>)
- The Tanagram, Words, and Newton apps (iPad) with OSMO (<https://www.playosmo.com/en/>)
