West Chester University
Social Work Concepts (SWC) Academic Plan for Minor Completion

I have met with my advisor, and I understand this academic plan as it has been presented. I understand that I must complete the 4 core courses plus 2 additional qualifying courses to satisfy the requirement for completing the Social Work Concepts (SWC) Minor. At any time, I may meet with my Academic Advisor for any questions that I may have about the SWC Minor and/or its courses. I am aware that I must earn at least a C- (1.7) in every course included in the SWC Minor, and if I do not earn a C- in any SWC Minor course, I will have to take the course again to increase my grade in that course. I understand that if I earn less than a C- in any SWC Minor course, I will need to schedule a meeting with SWC Minor Advisor (Dr. Travis Sky Ingersoll) to discuss my options moving forward.
