Criterion: As a cohort, the class will receive an average of 70% or higher for each EPAS Core Competency – Any question in the Comprehensive Exam receiving less than a 70% average for each cohort will be brought to the attention of the Undergraduate Social Work Faculty during their Bi-Annual Work Retreats

N.B.

2010: Comprehensive Exam initially piloted by Chair and G.A.

2011: Faculty assumed oversight of exam; exam revised with chair & emphasized faculty questions and Pearson text questions.

2012: Content & wording of some questions changed from 2011 to 2012 exam.

2015: Wording of some questions revised from 2014-2015 exam.

2016: Data from both the West Chester Campus and the Philadelphia Campus were presented in this year's assessment summaries. Combined averages were calculated by weighing the data based on the number of students measured at each site.

2016: Wording of some questions revised from 2015-2016 exam.

2016: Revisions to all Assessment Measurements complying with the new 2015 CSWE (Council on Social Work Education) EPAS Guidelines began in the summer of 2016.

- The new EPAS Guidelines contain some wording revisions and reduced the number of Core Competencies from **10** to **9**.
- In all of our Assessment Measurements, Core Competency 10A-10D has consistently produced lower scores in relation to every other Core Competency.
- Starting in the spring of 2017, all of our Assessment Measurements will be revised to comply with the 2015 EPAS Core Competency Guidelines
