## Center for Global Education and Experience/Augsburg Mexico Program West Chester University BSW Program Spring Semester, Junior Year

The spring semester study abroad program in Cuernavaca, Mexico is designed for social work juniors who are looking to improve their Spanish language skills, study and live abroad in a Latin American context, and complete their junior field placement in a Mexican social service agency. The information below is meant to help students plan for application deadlines, costs, and other WCU procedures. For more information about the program, please see [the CGEE Augsburg program website](#).

### **Costs\***

The tuition for Augsburg/CGEE is equal to WCU tuition for full-time credits (approximately \$3,620, but subject to change) plus room, board, and airfare. Students pay tuition directly to Augsburg (see below). Room and board is estimated to be approximately \$2,500. Airfare will depend upon the ticket you find.

Students whose language skills are below the SPA 201 (intermediate) level can enroll in a winter session (January) immersion course that has an additional cost of approximately \$2000. There are scholarships available for students looking to study abroad through the WCU Global Engagement Office and can be used for tuition, room and board, or travel.

*\*Please note that these costs are tentative and subject to change each year.*

### **Transfer equivalencies (social work and Spanish language study)**

Students who successfully complete the program are able to transfer all of their courses to WCU and fulfill the requirements of the major for junior spring semester. Students take social work courses at the Center for Global Education and Experience in Cuernavaca. Across the street at the Universal Language School, students take their one required Spanish language course. The semester is “packaged” as 15 credits; if students withdraw from a particular course, it may affect the total number of credits they receive for the semester and any financial aid. The following is a grid of equivalencies for social work courses (*please note: students should take SWO 351 prior to junior spring semester*):

Applications for social work candidacy applications are due no later than **September 15<sup>th</sup>**. Students must meet the minimum 2.5 GPA requirement and be accepted into candidacy. It is also recommended that students start the process to obtain a passport prior to beginning the application process. *If you are a student in campus housing (university–owned or affiliated), you will need to contact the Office of Residence Life as soon as possible to notify them of your intention to study abroad for spring semester. If you live off campus, contact the Off-Campus and Commuter Services Office about your options.*

### **What Happens Next?**

1. Start WCU Study Abroad [Application](#) found on the Global Engagement Office website.
2. Complete the “International Transfer Credit Approval Form” in your WCU study abroad application. Social work chair signs for SWO courses and Languages and Cultures Chair signs for SPA class. Submit to the Global Engagement Office (Trachanda Garcia, Mitchell Hall, Room 318).
3. Complete application for social work candidacy (you do not need to apply for clearances until you return from Mexico in preparation for senior year).
4. Once your candidacy and study abroad application are accepted, you will receive an email stating you can now apply directly to the Augsburg program.
5. For application to Augsburg, you will need to get the "Departmental Approval Form" signed by Dr. Belliveau or the Chair verifying your eligibility for the program. You will submit this with your essay and any other materials.
6. Once you are accepted by Augsburg College, forward your acceptance letter to [studyabroad@wcupa.edu](mailto:studyabroad@wcupa.edu) and complete the post-acceptance items that appear in your study abroad application checklist. If you do not have a passport, be sure to apply for one once you think you would like to study abroad as this is an item you will need to submit to both the Global Engagement Office as well as Augsburg.
7. Schedule a meeting with the Financial Aid office in order to prepare for payment of tuition and room and board to Augsburg. Payment of tuition is made by the student directly to Augsburg, which is why it is important to meet with Financial Aid as early as possible to ensure no delay in your Financial Aid disbursement.
8. Complete your registration for the spring semester via myWCU (you will receive an email from the registrar about registration for a study abroad placeholder course “CSE 199”).
9. Attend a pre-departure meeting with Dr. Belliveau and Professor Bradley to review expectations for students and gear up for a wonderful, cross-cultural experience! If family members have questions and concerns, they are welcome to attend as well!
