LUMIO INTEGRATION WITH GOOGLE

WHAT IS LUMIO?

Lumio is now integrated with your WCU Google account. Lumio (formerly SMART Learning Suite Online) is an online, browser-based tool that allows teachers to add engagement opportunities to increase collaboration for students during synchronous or asynchronous classes.

ACCESS YOUR WCU GOOGLE ACCOUNT

- Visit https://google.wcupa.edu.
- Sign in using your WCU email address and password (@wcupa.edu). Authenticate with Duo.

INSTALL LUMIO AND ALLOW ACCESS

- Once logged into Google, select the ⦂⦂⦂ icon from the top right corner of the window.
- Scroll down and select More from Google Workspace Marketplace.
- Select Lumio, listed under Approved for you, and install. This will allow Lumio to access your WCU Google Drive.

ACCESS LUMIO FROM GOOGLE

- Select the ⦂⦂⦂ from your WCU Google Account.
- Lumio is now listed at the bottom of your Google Applications.
- Select **Teacher Login** from the Lumio page.
- Select **Sign in with Google** and enter your WCU credentials when prompted.

UPLOAD CONTENT FROM GOOGLE DRIVE

- Once logged in to Lumio, select the green **Add Activities** Box.
- Select **Import resource** and choose Google Drive. Select file and import into Lumio.
- Add interactive content: Select the ➕ box from the bottom left corner to add a new page with YouTube videos, Shout It Outs, Open Responses, Game-based activities, and other Ready-made resources.
