

AAC's Behavioral Health Academic Scholarship

About	<p>In an effort to help those who are helping others, AAC is excited to offer 3 scholarships for those studying in the fields of behavioral health, counseling, psychology, social work, nursing or related sciences.</p> <p>With facilities across the United States, AAC provides comprehensive, compassionate treatment for those suffering from alcohol and drug addiction along with co-occurring mental/behavioral health issues. Our CARF-accredited treatment facilities support individualized treatment plans with research-based therapies and well-appointed amenities.</p> <p>AAC established these scholarship awards to provide financial assistance to college and graduate students pursuing careers in behavioral health and addiction-related studies. Students eligible for scholarships are those enrolled or will be enrolled in behavioral health, nursing, counseling, psychology, social work, marriage/ family therapy, or other program focusing on treating mental health and/or substance abuse issues.</p>
