Financial Aid for Summer 2014

To apply for Summer Financial Aid

Students need to submit 2 forms:

1. ADP Summer Financial Aid Application

(ADP students do not have to complete the Summer Loan Application online).

2. 2013-14 FAFSA online at www.fafsa.gov

The deadline for both of these forms is

June 1, 2014.

If selected for **Verification,** students need to submit additional forms before they will be awarded aid. It is recommended that students use the **IRS Data Retrieval Tool** on the FAFSA to expedite the process.

5 Helpful Tips

Tip 1: ADP Students need to complete TWO FAFSA forms: Complete both the 2013-14 FAFSA for the summer AND the 2014-15 FAFSA for the fall and spring terms.

Tip 2: Resolve issues with citizenship, selective service, or missing data quickly.

Financial aid will not be processed until you do so.

Tip 3: Secure federal loans before the **second week** of the summer session by completing these steps:

1. Accepting the Loans on MyWCU

2. Complete Direct Stafford MPN & Entrance Counseling on www.studentloans.gov

3. If you are receiving Perkins complete your MPN, Counseling, and Interview statement on IPromise.

Tip 4: When financial aid is insufficient, students may need to seek private education loans and parents can apply for Federal PLUS to pay the remainder of their bill.

Tip 5: Be sure to **activate your account** with the Bursar's Office on your MyWCU account to ensure that your aid paid.
