

Title IV Federal Student Aid Satisfactory Academic Progress Appeal Fall Semester 2016

Policy

A student must maintain satisfactory academic progress in accordance with the West Chester University Financial Aid Satisfactory Academic Progress (SAP) policy to be eligible to receive federal aid (Title IV). These programs include Pell grant, TEACH grant, Stafford Direct student loan, Perkins loan, Nursing loan and PLUS. The qualitative (grade-based) and quantitative (time-based) measures required by the U.S. Department of Education are as follows:

- 1. You must successfully complete at least 67% of all credits attempted when progress is evaluated by the University each spring semester**
- 2. You must earn a cumulative 2.00 GPA by the end of the fourth semester of enrollment and in each subsequent year of enrollment**
- 3. You must not exceed 180 cumulative credits, which is 150% of cumulative undergraduate credits required to graduate**

Any student who does not meet the satisfactory academic progress requirement is notified and has the option to appeal. The submission of an appeal application DOES NOT GUARANTEE the reinstatement of cancelled aid. **You are strongly encouraged to make payment arrangements with the Bursar's Office while your appeal is being considered, as billing deadlines are not adjusted.**

The Pennsylvania Higher Education Assistance Agency has separate progress requirements and appeal process which can be found on the University website and at www.pheaa.org

Instructions

Complete the entire appeal application as instructed throughout the packet.

Examples of acceptable circumstances that may warrant an appeal include:

1. The death of an immediate family member (parent, spouse, sibling, child)
2. Serious illness of the student that may have necessitated withdrawal from all classes in order to recover, or that may have contributed to the student doing poorly in his/her classes
3. Serious illness or injury of an immediate family member for whom the student was a caregiver
4. Significant trauma in the student's life that impaired his/her health
5. Other documented unexpected circumstances beyond the student's control

Process:

1. Appeal form can be found at WCU Fall Financial Aid Appeal Form
2. Student must make an appointment to meet with a financial aid counselor to review the completed appeal application and documentation
3. If the appeal application is not complete, it will be returned to the student for completion and another appointment with the counselor will be made
4. The financial aid counselor will approve the appeal or defer decision to the Appeal Committee
5. Please allow up to 7 business days if a decision is deferred to the Appeal Committee

Results:

The student is notified in writing regarding the result of the appeal request:

1. If the appeal is approved, then financial aid will be awarded for **one semester or payment period**
 - a. Academic progress will be reviewed after the appealed semester; financial aid will not be approved for any future semester until progress is met, unless otherwise approved by the counselor after grades are reviewed
2. If the appeal is denied, the student may enroll but is responsible for any balance owed to the University
