Academic Development Program (ADP) Students**

Please complete and submit by: May 1st, 2018

For the purpose of awarding summer financial aid, summer sessions are considered a **"trailer"** of the current academic year. To apply for financial aid for the summer program you are required to:

- First (**1st**) submit the **2017-2018 FAFSA**
(this is in addition to the 2018-19 FAFSA that will be used for financial aid consideration in the fall).
- Second (**2nd**) complete and submit this application to the Financial Aid Office by the deadline. If either application is incomplete, your request for aid cannot be considered.

NOTE: If your 2017-2018 FAFSA is selected for **verification**, a financial aid package will not be available until the verification is complete and you have a **valid** Expected Family Contribution (EFC).

Please print. Check the boxes that apply:
