

## Help plant trees in order to celebrate Arbor Day!

Where: The Gordon Natural Area - it's behind the football stadium on south campus (see attached map). We'll be meeting at the kiosk at the main entrance at 10. If you get there after 10, there will be instructions there so you can find us.

Date: Friday, April 27th (Arbor Day)

Time: 10am - 3pm

What to Bring: We'll be providing tools, snacks, water, sunscreen, and bug repellent. Just wear appropriate footwear that you can work in and won't mind getting dirty.

**NOTE:** If the weather looks questionable, please check for updated information on [gordonarea.org](http://gordonarea.org).
