

# Volunteer Tree Planting in the Gordon Natural Area

Date: Saturday, April 21st (Earth Day)

Time: 10am - 3pm

Location: The Gordon Natural Area - if you've never been there, it's behind the football stadium on south campus(see attached map). We will be meeting at the kiosk at the main entrance at 10am. If you get there after 10, there will be instructions there so you can find us.

What to Bring: We'll be providing tools, snacks, water, sunscreen, and bug repellent. All you have to do is wear appropriate footwear that you can work in and won't mind getting dirty.

We will be doing tree planting in the Gordon in order to celebrate Earth Day - come join us!

**NOTE:** If the weather looks questionable, please check for updated information on [gordonarea.org](http://gordonarea.org).
