## THE WEST CHESTER UNIVERSITY SPEECH AND HEARING CLINIC

provides superior professional diagnostic and treatment services in speech-language pathology and audiology while providing excellence in clinical education for students in the Department of Communication Sciences and Disorders.

Students are supervised by speech-language pathologists and audiologists, all holding professional certification

### CLINICAL SERVICES FOR CHILDREN AND ADULTS

#### SPEECH, LANGUAGE, AND HEARING DIAGNOSTIC SERVICES

The Clinic offers full diagnostic evaluations for children and adults suspected of having speech, language, or hearing disorders. Using the latest equipment, technologies, and assessment tools, the diagnostic team provides comprehensive evaluations. Student clinicians have access to the latest technology used to perform advanced diagnostic procedures that can directly assess middle and inner ear function and hearing loss.

from the American Speech-Language-Hearing Association and licensure from the state of Pennsylvania. Clinical Supervisors use state-of-the-art video technology to observe students during clinical sessions. Therapy sessions are offered once or twice a week during the fall and spring semesters. Summer programs are offered throughout the day during the month of July.

#### SPEECH, LANGUAGE, AND HEARING TREATMENT SERVICES

For those diagnosed with speech, language, or hearing disorders, the Clinic offers therapy services and treatment plans for children and adults. Therapy sessions are offered once or twice a week during the fall and spring semesters. Summer programs are offered throughout the day during the month of July. We offer bilingual Spanish-English evaluations and treatment.

Evaluation and treatment services are provided for children and adults and include the following disorders and areas

- Articulation/Phonology
- Language
- Autism Spectrum Disorders/Pervasive Developmental Disorders
- Pragmatics
- Developmental Delays
