Contemplative Music of Korea: An hour of music and meditation.

There is a long tradition of meditative music in Korean culture. *"Music is not merely a process I perform and teach; rather, it is the expression of my soul,"* says Gamin, a virtuoso of traditional Korean wind instruments.

With Gamin, we will explore music of contemplation. We will begin with a short,

guided meditation, to help our listening join her playing. Her music will take us where it will.

After the concert, Gamin will stay with us to hear our responses and answer questions.

*Gamin is the inaugural guest artist of the WCU Global Music Residency from Feb. 21 to Feb. 24, 2022.
She will be offering workshops and concerts on campus.*
