

COLLEGE OF HEALTH SCIENCES

HEALTH CAREER SUMMER ACADEMY

What is the Health Career Summer Academy?

Through collaboration with Main Line Health and Meridian Bank, the West Chester University College of Health Sciences is offering a summer academy for a limited number of high school students who are interested in a future health science career.

The program will introduce students to potential fields of study, including:

- Health
- Nutrition
- Sports Medicine
- Nursing
- Emergency Medicine
- Exercise Science
- Speech Language Pathology
- Strength & Conditioning

Students will gain hands-on experience and participate in activities to advance their health science knowledge. Lessons and activities include introductions to anatomy, first aid, and healthcare careers; a field trip to Lankenau Medical Center; and a **CPR certification course**.
