RamCloud Android User Guide

From Android device with active internet connection:

1. Launch the 'Play Store' and search and install 'Citrix Receiver":

2. Locate the Citrix Receiver APP

that was installed and tap to launch:

3. Click 'Set up my enterprise apps' (this will be a one-time process for the initial setup/configuration):

Updated: 10/21/2014

4. In the Address field, type: ramcloud.wcupa.edu then press 'Next':

5. Enter your WCU network User Name, Password, and Domain:

Updated: 10/21/2014

6. When configured properly, the APPs tab will appear listing available APPs; tap an APP to launch:

7. From the APPS tab, press and hold an APP to add to the Favorites tab:

Updated: 10/21/2014

8. *IMPORTANT NOTE:* To properly exit out of an application and release the software license, pull-down down the arrow at center of screen to access menu icons, then press the 'x':
