

# Work Continuity Webinars

March 30 through April 4, 2020

[Register at www.wcupa.edu/fast](http://www.wcupa.edu/fast)

## D2L | INTRODUCTION TO DISCUSSIONS IN D2L

The Discussions tool enables you to create areas where your students can collaborate, participate in discussion assignments or projects, and share information. This training will cover topics including: creating discussion forums and topics, and assessing discussions.

**TUE MARCH 31**  
**2-2:45PM**

## ZOOM | VIRTUAL CLASSROOM WITH ZOOM

Participants will learn how to schedule a meeting, share a link with students, navigate the meeting interface, and add some interactive elements to engage with students.

**WED APRIL 1**  
**10-10:45AM**

## ONEDRIVE | DOC STORAGE/SHARING IN ONEDRIVE

This session will introduce Microsoft Office 365, OneDrive, the cloud-based file storage system with options for editing and collaboration.

**WED APRIL 1**  
**2-2:45PM**

## ZOOM | USING BREAKOUT ROOMS IN ZOOM

Learn how to create and use Zoom Breakout Rooms, review some best practices, and experience breakout rooms from the student perspective in this webinar.

**THUR APRIL 2**  
**10-10:45AM**

## KALTURA | LECTURE VIDEOS USING KALTURA CAPTURE

Learn how to create videos and insert them right into a D2L course using the easiest video creation tool WCU has to offer. The webinar will cover tool installation, recording preparation, recording, and adding the video to your D2L course. After attending you will be ready to start recording..

**THUR APRIL 2**  
**2-2:45PM**

## D2L | ADMINISTERING QUIZZES IN D2L

By the end of this webinar, faculty members will be able to use the quiz tool in D2L to create quiz questions and configure quiz settings

**FRI APRIL 3**  
**2-2:45PM**
