iDashboards

Target Audience: Faculty and Staff

Description: The Office of Institutional Research has created an institutional interface and some preliminary dashboards (350+). This point and click tool will allow you to sign into myWCU and access historic and live data from PeopleSoft that you previously had to dig up from PDF reports on the OIR website or request directly from their office. The tool will be accessible to all faculty and staff through the myWCU (PeopleSoft) portal.

Course Includes:

Learning how to access data for:
- Fall Freeze headcounts
- Fall Freeze major counts
- Spring Freeze headcounts
- Spring Freeze major counts
- Live Enrollment data (active, scheduled, sched/paid)
- Degree Completions
- Faculty Counts
- Admissions Data
- Survey Data (NSSE, BCSSE, FSSE)
