Turning Technologies Training

West Chester University

Engage. Monitor. Measure.

Turning Technologies' powerful learning tools are designed to achieve superior levels of student engagement with compelling instruction that leaves a lasting impression in and outside of class. Purpose-driven student response technology supports learning theories and is proven to enhance key indicators of student success including retention, motivation and attendance.

Training Session

Aug. 24 from Noon to 2 p.m.

Join us for a highly interactive lunch and learn session that will include:

· An overview of TurningPoint Cloud
· How to get started using TurningPoint Cloud response technology
· Hands on PowerPoint Polling training
· Where to go for additional assistance and support
