## AUDITION/COLLEGE PREPARATION

Students will participate in classes focusing on audition preparation, practice habits, tips for successful auditions, résumé writing, and choosing a college.

## FACULTY

Our faculty consists primarily of WCU Wells School of Music professors who double as inspiring educators and active performing artists. Please visit [www.wcupa.edu/music/appliedmusic/faculty.aspx](http://www.wcupa.edu/music/appliedmusic/faculty.aspx) for faculty biographies. Faculty recitals will take place throughout the week.

## CAMPUS LOCATION AND FACILITIES

West Chester University is located in southeastern Pennsylvania, 35 miles west of Philadelphia. The University is nestled in the historic borough of West Chester.

Resident students are housed in a residence hall adjacent to the dining hall, a short walk from Swope Music Building. All residence hall rooms are double occupancy with males and females located on separate floors. Institute counselors reside in each wing.

## SOCIAL AND RECREATIONAL ACTIVITIES

Supervised events include volleyball, a scavenger hunt, a pizza party, and other activities.

## SCHOLARSHIPS

Several \$100 scholarships (made possible through the generous support of our former director, Dr. Ken Laudermilch) may be available to students who submit (1) a letter requesting financial assistance and (2) a letter of recommendation from their high school music teacher. All materials (including the application and deposit) must be postmarked by May 10th in order to be considered for a scholarship.

Students who will graduate high school in June 2020 are eligible for Rising Senior Scholarships, as well as a pre-screening WCU Wells School of Music entrance audition. Please visit [www.wcupa.edu/SummerMusicCamps](http://www.wcupa.edu/SummerMusicCamps) for more information.

## *Honors Track*

An honors track is available for advanced students. Honors track students will be placed in advanced chamber ensembles (e.g. woodwind trio, brass quintet, string quartet), or they will be guaranteed a performance on the evening solo recital.

Honors track applicants must submit a private/unlisted YouTube recording of two contrasting etudes or solo works on their primary instrument. The audition video, along with the student's application and deposit, must be submitted by May 20th. Please email your YouTube video link (for a private/password-protected video) to [summermusiccamps@wcupa.edu](mailto:summermusiccamps@wcupa.edu) on or before May 20th.
