## Greek Community Rallies to Prevent Hazing

The Office of Student Leadership & Involvement and WCU's Greek community held its annual Hazing Prevention Week Sept. 21-25. The emphasis was on both education and fun, with activities ranging from a documentary about the realities of hazing, sponsored by the Student Activities Council, to free doughnuts distributed on the Quad by Delta Zeta sorority.

### Hazing Prevention Week

Hazing Prevention Week is a national initiative sponsored by the nonprofit organization, [HazingPrevention.Org](http://HazingPrevention.Org).
