

2015 FALL UNDERGRADUATE COURSE SCHEDULE

Fall Semester 2015

All undergraduate students can self-schedule on the web using the myWCU web portal.

Students MUST see their adviser in order to gain access to schedule on the web portal.

Computers are available in the following locations for scheduling:

- All computer labs in Anderson Hall
- Sykes Student Union
- Residence halls (for resident students)
- Sturzebecker Health Sciences Center, HSC 125
- 25 University Ave., Student Service Center

Before Self-Scheduling

1. **Students should contact their adviser before scheduling.** The adviser will open access electronically to self-scheduling according to the student's department advising process.
2. All outstanding University bills must be paid in full and all holds must be cleared before students are eligible to schedule (tuition, housing, meals, bookstore, library, infirmary, parking tickets, etc.). Students can use myWCU to check for existing holds.
3. All transfer credits must be entered onto the student's record in order to be considered **"earned credits"** for scheduling purposes. Students should contact the Office of the Registrar if they have any questions about their transfer credits.
4. Students must complete and return change of major forms to the Office of the Registrar **at least two weeks before** their day to schedule.

How to Schedule for the Fall Semester

Step-by-Step Registration Instructions

1. **MyWCU web portal (WCU students only).** Students may use any computer with access to the Internet, on campus or off. MyWCU is accessed from the WCU home page (www.wcupa.edu). First students need to find their scheduling appointment time on myWCU at the WCU portal, <http://www.wcupa.edu/>. Students can log in using their username and password. Under the **Student Information** header, the **Enrollment Appointment** will display.
2. Once logged in to myWCU, students will click on **Enroll in a Class** under the **Self-Scheduling** header and then the tab for the action they want to perform

(i.e., **Add Class, Drop/Update Class**, etc.). There is a three-step process to add or drop a class. Students can access the following web link for more in-depth instructions about myWCU and the scheduling process: <http://www.wcupa.edu/infoservices/admincomp/mywcuHelp.aspx>.

3. **Online Application for non-WCU students.** Students should go to www.wcupa.edu/registrar and click on the tab for **Nondegree Online Application**. You will be able to submit your online application for summer courses quickly and easily. You will receive an e-mail confirmation and instructions for how to schedule their summer classes.

Course Selection Information

1. All courses are open to nonmajors unless otherwise noted.
2. The University reserves the right to cancel any course or section, change a professor, change the meeting time, or change the room assignment. Students can check the online course schedule for the most up-to-date information.
3. Courses that are identified for "majors only" (M) are available only to students in the designated majors (or minors). Non-majors will need special permission from the department chairperson to schedule into the "majors only" (M) courses. Bring this permission form to the Office of the Registrar.
4. Students should consider the travel time between North and South Campus when scheduling.
5. MyWCU will ask if students need to be full time. If they do need to be full time

for financial aid or other purposes, they must answer yes. If, at the end of self-scheduling, they were not able to register for at least 12 credits, myWCU will automatically add the course SAC (Select - A - Course) to their schedule. This SAC course is not an actual course but one used to add temporary credits to a course load.

6. In the event billing credits are changed as a result of schedule changes, students will be responsible for those charges. **Students will only receive one bill**, and they should review any charges on myWCU.
7. Students who have financial aid and later decide to enroll on a less-than-full-time basis must notify the Office of Financial Aid so any necessary adjustments can be made.
8. Special course requests (independent study, individualized instruction, credit by exam, private music lesson, etc.) may require special forms and/or permission. Forms may be obtained from the Office of the Registrar or online at, www.wcupa.edu/registrar/. Students should complete the required forms or permissions and bring these to the Office of the Registrar where the courses will be added to their schedule. See the "Policies" section for additional information.

How to View University E-mail from Outside the University

All degree students are assigned an e-mail account. Academic departments, advisers, instructors, and administrative offices will send students messages at this account address. Students can view their e-mail using any web browser or Internet provider. Here are the steps:

1. From the WCU portal, select the **Web-mail** tab.
2. Enter account name (their initials plus their student ID@wcupa.edu).
3. Enter password.
4. Hit **Enter** or **Return**, or click the **Login** button.

This will provide access to the e-mail account

The Nondegree Program

What is it?

Nondegree is an academic term for “not formally accepted into a degree program.” It is a great way to start a college career or to gain personal and professional growth.

Nondegree students will take the same courses as everyone else and will earn the same college credit. They may attempt a total of 18 credits (usually about six courses) as nondegree students. After that, students will need to apply for admission. College graduates who have no intention of pursuing another degree can take as many courses as they want.

Nondegree students can take a maximum of nine credits each semester.

Students can be a nondegree student if they have:

- graduated from high school or received their GED three or more years ago;
- have fewer than 30 credits from another college or university with at least a 2.0 cumulative grade point average (GPA);
- have earned a college degree and want to take courses for professional or personal development; or
- are high school students with a letter of recommendation from their guidance counselor or principal.

How do nondegree students schedule for the fall semester?

TELEPHONE: Monday – Friday, 8 a.m. – 4:30 p.m. Call 610-436-3505.

SELF-SCHEDULE: Returning nondegree students may self-schedule using myWCU.

IN-PERSON: The Office of Pre-Major Advising is located in Lawrence Center, RM 222 (2nd Floor of the dining hall). Office hours are Monday – Friday, 8 a.m. – 4:30 p.m. Nondegree students schedule during open scheduling, April 6 through August 23, 2015.

Credit for Life-Learning Experience

West Chester University has various methods of recognizing and assessing learning that has been achieved outside the framework of a formal institution of higher education.

Accelerate the time it takes to earn a degree

Students who are self-motivated, have prior knowledge, and/or are willing to study independently can take a year off the time it takes to earn their degree and save up to \$4,000 in tuition.

West Chester University has three options

available for students to earn college credit.

- Credit by exam – \$92 fee. Students who feel they already know the material taught in a course may demonstrate this knowledge by applying for a credit by exam.
- College Level Examination Program (CLEP) – \$92 fee. Students can demonstrate knowledge gained independently or learn new material through this structured program. They can complete most of their general education requirements through CLEP. CLEP may be found at the university's College of Education Professional Testing Center website: wcupa.edu/_academics/coed/professionaltestingcenter.asp/.
- Portfolio Assessment – the cost is one-half the tuition of the course. Students may choose to develop a portfolio rather than take an exam to demonstrate competency. The portfolio is developed for a specific course, demonstrating and documenting their learning experience relative to the course.

More information is available from the Graduate Studies office at 610-436-2943.

Student Service Center

The Student Service Center is located on the ground floor of 25 University Ave. The hours for the 2015 fall semester are 8 a.m. – 4:30 p.m., Monday, Tuesday, Thursday, and Friday. On Wednesday hours are 9 a.m. – 4:30 p.m.

Tuition and Fees

Current tuition and fee information is available on the WCU Bursar's webpage at wcupa.edu/_information/afa/fiscal/bursar/tuition.asp.

- Students who schedule before late registration will receive a bill mailed to their home address.
- **Students receive only one bill.** All bills/statements will be sent electronically to students' official WCU e-mail address. The Bursar's website gives payment options and information. If any changes are made to a schedule after the bill is sent, **students must contact the Office of the Bursar** for any updated charges, or they can review their charges in myWCU.
- The deadline for returning materials with payment is printed on the bill.

The University reserves the right to cancel schedules of students who do not pay or have not made arrangements for payment by their billing due date.

Financial Aid

Students seeking financial aid are encouraged to submit the Free Application for Federal Student Aid by June 30, 2015 to meet the

payment deadline. Any questions concerning financial aid credits on students' bills should be directed to the Office of Financial Aid.

Fall Scheduling Dates

Day and Evening Degree Students Scheduling by Credits Earned,

February 22 – August 23:

Degree-seeking students may self-schedule from February 22 – August 23. They can find the time and date to start scheduling on myWCU by clicking on the **Enrollment Appointment** link under **Self-Scheduling**. They may schedule any time after their initial start time during this period.

Open Scheduling, April 6 – August 23:

Scheduling continues through August 23 for students who have not yet scheduled or for those who want to make changes to their schedule.

Transfer and Readmitted Students

February 22 – August 23:

Students should make an appointment with their adviser who will give computer access before they can schedule. They can then schedule on myWCU.

Late Registration Period

August 24 – August 31:

Students who have not registered prior to this period or had a schedule that was canceled may register during the late registration period.

Payment is due in full upon registration at the Office of the Bursar, Room 050, 25 University Ave. A \$50 late payment fee will be assessed after the payment deadline.

Accessing Grades Electronically

Grade reports will not be automatically mailed. Students can see and print a copy of their grades on myWCU. Students who need an official copy of their semester's grades to be sent to an employer for tuition reimbursement should fill out a request form that can be obtained at the Office of the Registrar or from the **Forms** page on the Registrar's website, www.wcupa.edu/registrar/.

Cheyney Cross Registration

West Chester University and Cheyney University will provide the opportunity for students to enroll concurrently at both institutions during the fall semester 2015. Information concerning the policies and procedures is available in the Office of the Registrar, Room 020, 25 University Ave.

- Any student who has **three or more** final exams scheduled for the same day should work with the individual instructors no later than one week prior to the final exam time to try to arrange alternate exam times.

Nondiscrimination/Affirmative Action Policy

West Chester University is committed to providing leadership in extending equal opportunities to all individuals. Accordingly, the University will continue to make every effort to provide these rights to all persons regardless of race, religion, sex, national origin, ancestry, age, sexual orientation, disability, or veteran status. This policy applies to all members of the University community including students, faculty, staff, and administrators. It also applies to all applicants for admission or employment and all participants in University-sponsored activities.

This policy is in compliance with federal and state laws, including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, and the Executive Order of the Governor of Pennsylvania. Any individual having suggestions, problems, complaints, or grievances with regard to equal opportunity or affirmative action, or to request a translation of this publication into a language other than English, is encouraged to contact the director, Office of Social Equity, 13/15 University Ave., 610-436-2433.

Evening Courses

Please note: Section 80 through 89 courses are open to all students. Sections 70 through 79 are not. These sections are available only to those students who are in one of the following classifications:

☞ part time (scheduled for less than 12 credits)

☞ nondegree students (not currently enrolled in a degree program at West Chester University)

☞ evening degree students (scheduled only for courses that begin at 4 p.m. or later)

Full-time and day-degree students must obtain written approval from the respective department chairs in order to schedule for these courses.
