SCHEDULE**

WCU
WEST CHESTER
UNIVERSITY

Winter Term/Spring Semester 2015

All undergraduate students can self-schedule on the web using the myWCU web portal.

You **MUST** see your adviser in order to gain access to schedule on the web portal.

See page 6 for information on winter term.

Computers for scheduling are available in the following locations:

- All computer labs in Anderson Hall
- Sykes Student Union
- Residence halls (for resident students)
- Sturzebecker Health Sciences Center, HSC 125
- 25 University Ave., Student Service Center

Before Self-Scheduling

1. **Students should contact their adviser before scheduling.** The adviser will open access electronically to self-scheduling according to the student's department advising process.
2. All outstanding University bills must be paid in full and all holds must be cleared before students are eligible to schedule (tuition, housing, meals, bookstore, library, infirmary, parking tickets, etc.). Students can use myWCU to check for existing holds.
3. All transfer credits must be entered onto the student's record in order to be considered "**earned credits**" for scheduling purposes. Students should contact the Office of the Registrar if they have any questions about their transfer credits.
4. Students must complete and return change of major forms to the Office of the Registrar **at least two weeks before** their day to schedule.

How to Schedule for the Spring Semester

Step-by-Step Registration Instructions

1. **MyWCU web portal (WCU students only).** Students may use any computer with Internet access on campus or off. MyWCU is accessed from the WCU home page (www.wcupa.edu). First students need to find their scheduling appointment time on myWCU at the WCU portal, <http://www.wcupa.edu/>. Students can log in using their

username and password. Under the **Student Information** header, the **Enrollment Appointment** will display.

2. Once logged in to myWCU, students will click on **Enroll in a Class** under the **Self-Scheduling** header and then the tab for the action they want to perform (i.e., **Add Class, Drop/Update Class**, etc.). There is a three-step process to add or drop a class. Students can access the following web link for more in-depth instructions about myWCU and the scheduling process: <http://www.wcupa.edu/infoservices/acc/mywcuFAQ/>.
3. **Online Application for non-WCU students.** Students should go to www.wcupa.edu/registrar and click on the tab for **Nondegree Online Application** to submit an application for courses quickly and easily. They will receive an e-mail confirmation and instructions on scheduling classes.

Course Selection Information

1. All courses are open to nonmajors unless otherwise noted.
2. The University reserves the right to cancel any course or section, change a professor, change the meeting time, or change the room assignment. Students can check the online course schedule for the most up-to-date information.
3. Courses that are identified for "majors only" (M) are available only to students in the designated majors (or minors). Nonmajors will need special permission from the department chairperson

to schedule into the "majors only" (M) courses. Bring this permission form to the Office of the Registrar.

4. Students should consider the travel time between North and South Campus when scheduling.
5. MyWCU will ask if students need to be full time. If they do need to be full time for financial aid or other purposes, they must answer yes. If, at the end of self-scheduling, they were not able to register for at least 12 credits, myWCU will automatically add the course SAC (Select - A - Course) to their schedule. This SAC course is not an actual course but one used to add temporary credits to a course load.
6. In the event billing credits are changed as a result of schedule changes, students will be responsible for those charges. **Students will only receive one bill**, and they should review any charges on myWCU.
7. Students who have financial aid and later decide to enroll on a less-than-full-time basis must notify the Office of Financial Aid so any necessary adjustments can be made.
8. Special course requests (independent study, individualized instruction, credit by exam, private music lesson, etc.) may require special forms and/or permission. Forms may be obtained from the Office of the Registrar or website, www.wcupa.edu/registrar/. Students should complete the required forms or permissions and bring these to the Office of the Registrar where the courses will be added to their schedule. See the "Policies" section for additional information.

How to View University E-mail from Outside the University

All degree students are assigned an e-mail account. Academic departments, advisers, instructors, and administrative offices will be sending students messages at this account address. They can view their e-mail using any

web browser or Internet provider. Here are the steps:

1. From the WCU portal, students will select the **Webmail** tab.
2. Students enter their account name (their initials plus their student ID@wcupa.edu).
3. Students enter their password.
4. They hit **Enter** or **Return**, or click the **Login** button.

This will give them access to the e-mail account inbox.

Please visit wcupa.edu/registrar for information on our Communications Policy.

The Nondegree Program

What is it?

Nondegree is an academic term for “not formally accepted into a degree program.” It is a great way to start a college career or to gain personal and professional growth.

Nondegree students will take the same courses as everyone else and earn the same college credit. They may attempt a total of 18 credits (usually about six courses) as nondegree students. After that, students will need to apply for admission. College graduates who have no intention of pursuing another degree can take as many courses as they want.

Nondegree students can take a maximum of nine credits each semester.

Students can be nondegree student if they have

- graduated from high school or received their GED three or more years ago;
- have fewer than 30 credits from another college or university with at least a 2.0 cumulative grade point average (GPA);
- have earned a college degree and want to take courses for professional or personal development; or
- are high school students with a letter of recommendation from their guidance counselor or principal.

How do nondegree students schedule for the fall semester?

TELEPHONE: Monday – Friday, 8 a.m. – 4:30 p.m. Call 610-436-3505.

SELF-SCHEDULE: Returning nondegree students may self-schedule using myWCU.

IN-PERSON: The Office of Pre Major Advising is located within the Lawrence Center 222 (2nd Floor of the dining

hall). Office of Graduate Studies, McKelvie Hall, 102 W. Rosedale Ave. Office hours are Monday – Friday, 8 a.m. – 4:30 p.m. Nondegree students schedule during open scheduling, November 24 through January 18, 2015.

Credit for Life-Learning Experience

West Chester University has various methods of recognizing and assessing learning that has been achieved outside the framework of a formal institution of higher education.

Accelerate the time it takes to earn a degree

Students who are self-motivated, have prior knowledge, and/or are willing to study independently can take a year off the time it takes to earn their degree and save up to \$4,000 in tuition.

West Chester University has three options available for students to earn college credit.

- Credit by exam – \$92 fee. Students who feel they already know the material taught in a course may demonstrate this knowledge by applying for a credit by exam. More information about Credit by Exam is available from the Office of the Registrar at 610-436-3541.
- College Level Examination Program (CLEP) – \$92 fee. Students can demonstrate knowledge gained independently or learn new material through this structured program. They can complete most of their general education requirements through CLEP. More information about CLEP may be found at the university's College of Education Professional Testing Center website http://wcupa.edu/_academics/coed/professionaltestingcenter.asp.
- Portfolio Assessment – the cost is one-half the tuition of the course. Students may choose to develop a portfolio rather than take an exam to demonstrate competency. The portfolio is developed for a specific course, demonstrating and documenting their learning experience relative to the course.

More information is available from the Graduate Studies office at 610-436-2943

Student Service Center

The Student Service Center is located on the ground floor of 25 University Ave. The hours for the fall and spring semesters are 8 a.m. – 4:30 p.m., Monday, Tuesday, Thursday, and Friday. On Wednesday hours are 9 a.m. – 4:30 p.m.
