Dual Admission and CORE-TO-CORE TRANSFER AGREEMENT

Between

DELAWARE COUNTY COMMUNITY COLLEGE

And

WEST CHESTER UNIVERSITY OF PENNSYLVANIA

This document replaces the previous Articulation Agreement between West Chester University of Pennsylvania and Delaware County Community College, dated June 2009.

PREFACE

Delaware County Community College (DCCC) and West Chester University of Pennsylvania (WCU) enter into this Transfer Agreement to facilitate the seamless transfer of DCCC students who have earned the Associate in Arts (A.A.), the Associate in Science (A.S.) degree or Associate in Applied Science (A.A.S.) degree.

There are two components to this agreement that work together to maximize the benefit to DCCC students wishing to transfer to WCU: the Dual Admission Transfer component and the Core-to-Core Transfer component.

Dual Admission guarantees that DCCC students will be admitted to WCU with the condition that they: graduate from DCCC with an Associate in Arts (A.A.) Degree, Associate in Science (A.S.) Degree or Associate in Applied Science (A.A.S.) Degree with a minimum cumulative GPA of 2.0; complete an Intent to Enroll form no later than nine months and no earlier than three years before their expected matriculation date at WCU; agree to sign a new Intent to Enroll form if the major or admission date is changed from the original Intent to Enroll form; understand that prior attendance at WCU is disqualifying; and satisfy all other WCU transfer requirements. DCCC students will be guaranteed admission to their program of choice provided they meet the program-specific requirements (pre-requisites, minimum grade point averages, etc.). Some majors may require a cumulative GPA above a 2.0 for admission to the degree program. *Guaranteed admission to the Social Work, Nursing and Athletic Training majors at WCU is not available through this articulation agreement.*

Under the Core-to-Core Transfer component, students are guaranteed admittance to WCU with third year (junior) status if they graduate from DCCC with an Associate in Arts (A.A.) degree or Associate in Science (A.S.) degree with a minimum cumulative GPA of 2.0 in Behavioral Science, Business Administration, Communication Arts*, Computer Information Systems, Education, Engineering, Liberal Arts, Mathematics/Natural Science, or Science for Health Professions* (Please see notes on Page 2 for specific Core-to-Core requirements for the Communication Arts and Science for Health Professions associate degrees.) Within the Core-to-Core Transfer agreement, WCU agrees to accept the general education courses embedded in the aforementioned A.A. and A.S. degrees as meeting their general education

requirements with the exception of the Arts* requirement, the Public Speaking* requirement, and the Interdisciplinary* requirement. DCCC students graduating with an Associate in Applied Science (A.A.S.) degree are not eligible for Core-to-Core transfer; however, WCU's general education requirements may be fulfilled before transferring by following the DCCC/WCU General Education Guide Sheet.

DCCC students graduating with an A.A.S. degree and transferring through the Dual Admission program may enter with third year (junior) status dependent upon the number of transfer credits and the appropriate sequencing of transfer courses within the Associate in Applied Science degree. Students are encouraged to make themselves aware of particular WCU degree program requirements early in their tenure at Delaware County Community College in order to facilitate a smooth transition.

* Notes:

- The completion of one course from the areas of ART, DRA, MUS, or HUM 141 would satisfy the Arts requirement.
- Public Speaking courses include COMM 100 (if completed prior to Fall 2009) or COMM 105 (if completed prior to Fall 2009) or COMM 111.
- The Interdisciplinary requirement may be completed by taking HUM 160 (if completed prior to Spring 2011), HIS 100 or SOC 215.
- *Communication Arts* majors are required to complete one math and one science course within the A.A. degree to be eligible for Core-to-Core transfer.
- *Science for Health Professions* majors must complete one behavioral & social science and one humanities course within the A.S. degree to be eligible for Core-to-Core transfer.

A full-time student admitted to WCU with third year (junior) status to WCU will be able to complete a Bachelor's degree in a parallel program at WCU within four regular semesters provided the student completes the appropriate Associates Degree program at DCCC, meets the program requirements upon admission to WCU, and completes and appropriately sequences the remaining courses at WCU while maintaining full time status.

This Dual Admission Agreement and Core-to-Core Transfer Agreement becomes effective on the date of its signing.

To facilitate the transfer of DCCC graduates to WCU in accordance with the foregoing agreement the parties agree to the following:

OBLIGATIONS OF WEST CHESTER UNIVERSITY OF PENNSYLVANIA:

1. To attend regularly scheduled Partner Day and Evening Programs at DCCC.
2. To collaborate with DCCC in creating an Intent to Enroll form and Fact Sheets to distribute upon request.
