Summer 2020 Class Search Guide

Instruction Mode Definitions

- 100% Online
    a. Classes that are 100% online.
    b. These courses do not require the instructor and students(s) to "meet" (remotely) during specific days/times to participate in lectures, labs, discussions, etc.

- Real Time Instruction
    a. Classes that have transitioned to remote instruction.
    b. These courses require the instructor and student(s) to "meet" (remotely) during the specific days/times indicated in the meeting pattern to participate in lectures, labs, discussions, etc. for the majority of the course contact hours.

- Flexible Engagement
    a. Classes that have transitioned to remote instruction.
    b. Blended version of 100% Online and Real Time Instruction.
        i. A mix between students working independently for the majority of course contacts hours, but also have a requirement to "meet" (remotely) with the instructor during specific days/times as indicated by the meeting pattern OR in the class notes.

How to Search For Classes

- If you know the Subject (i.e. PSY) and Course Number (i.e. 100), you can search on that criteria only and all three Instruction Modes listed above will appear.

- If you want to complete a broad search (i.e. search for all courses that fulfill the Science Gen Ed requirement), all three Instruction Modes listed above will appear if **Campus = Distance Education** *and/or* **Location = Online Distance Education**.
