Courses that do not have a pre-determined equivalency on the **Transfer Credit Center** website are evaluated by the Registrar's Office. Course determinations made by the Registrar's Office are based upon the review of student transcripts and available course descriptions. When appropriate, subject specific elective credit (Ex: HIS 199) may be awarded.

Courses may be rejected if the Registrar's Office cannot determine if the course is developmental or technical. West Chester University does not accept these types of courses. In certain instances these determinations or reasons for rejection may be overturned by respective departments. The following is a list of reasons why a course may be rejected:

<i>Catalog Subject & Number</i>	<i>Units Transferred</i>	<i>Reject Grade Input</i>	<i>Description</i>
