

**"Defending Our Nation. Securing The Future"
"Confidence in Cyberspace"**

The National Security Agency (NSA) currently has a number of openings for full-time positions in all our mission areas. Students receiving degrees in Computer Science, Computer Engineering, Electrical Engineering, Software Engineering, Systems Engineering, or other Information Security and Cyber-related disciplines are encouraged to apply at: <https://www.nsa.gov/careers/index.shtml>

NSA's Information Assurance Directorate (IAD) believes students from the NSA/DHS National Centers of Academic Excellence may be particularly interested in the positions identified below but may apply to multiple positions.

- 1063184 - IAD Information Assurance/Security Professionals
- 1063504 - IAD IA Doctrine Policy Officer
- 1063508 - IAD Interagency OPSEC Support Staff (IOSS) Instructional Designer
- 1063522 - IAD Business Technologist Support to Investment Analysis
- 1063526 - IAD Information System Security Designer Support to Investment Analysis
- 1063410 - Computer Network Operations Development Program (CNODP)
- 1063155 - Summer Internship Program for Information Assurance (SIP/IA)

***** Student Internship, CO-OP, & Scholarship Opportunities *****

The NSA has many different summer Internship Programs in addition to our CO-OP and Scholarship programs that, like our full-time positions, support all our mission areas and offer exciting opportunities in a wide array of disciplines. Descriptions and requirements for each of these programs can be viewed by visiting www.nsa.gov/careers and selecting "Student Programs" on the pull-down menu.

IMPORTANT - The application deadline for most of the summer internships is 31 October; however, some of the math related internship deadlines are as early as 15 October. Also, students may apply to multiple internships as these are each reviewed and selections made independently.

Students may apply for these full-time positions by visiting www.nsa.gov/careers and looking for the position numbers listed above. Student Program opportunities can be located by using the key word search and entering "internship", "CO-OP", or "scholarship."
