

Super Science Saturday

Think science is boring?
Just a bunch of memorization?
Just not your thing?

THINK AGAIN!

Come explore with us!

Super Science Saturday is a FREE one-day STEM workshop at West Chester University for girls in grades 6-12

Spend the day with women scientists talking about careers, doing hands-on experiments, and seeing how fun science can be!

Register* at www.wcupa.edu/SSS

Saturday, November 9th
9am – 3pm

* Event is limited to 100 participants.
