

Two Great Science Programs, One Amazing Day! Friday, February 2, 2018

The American Helicopter Museum and West Chester University's Mather Planetarium are joining together to offer a special day of programming for homeschooling families on **FRIDAY 2/2/18**.

Planetarium shows are scheduled:

9:00 A.M. (school age children)

10:30 A.M. (middle schoolers)

12:00 P.M (high schoolers)

The American Helicopter Museum will offer programming throughout the day from 10 to 4:00 PM. All programs meet the Pennsylvania Department of Education's standards for STEM education.

Bring a brown bag lunch to enjoy. Cost for both sites is \$10.00/person, and pre-registration is required (transportation between sites will not be provided).

Parents should be aware that the planetarium gets extremely dark and some young children may find this frightening.

You can register by calling [\(610\) 436-9600](tel:6104369600)
or by emailing pkahan@americanhelicopter.museum.
