

We are in need of a lot of interns (around 5) from the Statistics/Mathematics/Computer Science disciplines. The position is a minimum of 20 hours per week and is paid. We are looking for students with a GPA of 3.5 or higher who are at least sophomores.

If you need more information about the internship, please contact me at the email below and I would be glad to supply you with it.

If anyone would like to apply, please forward your resume to:

Joseph.Kovach@TheoremClinical.com
