

Department of Physics and Engineering
West Chester University of Pennsylvania

Cooperative Physics-Engineering Dual-Degree Programs

B.S. Physics, West Chester University and B.S. Engineering,
 from Case Western Reserve University, Columbia University, Pennsylvania State University, or
 Philadelphia/Jefferson University

Last updated 6 Feb 2018

Semester 1

MAT 161	Calculus I	4	G
PHY 115	Engineering Graphics I	1	
WRT 120	Effective Writing I	3	G
ECO 111 or 112	Princ. of Econ. (Macro) Princ. of Econ. (Micro)	3	G
CSC 141	Computer Science I	3	G
	Arts Gen. Ed.	3	G
		17	

Semester 2

MAT 162	Calculus II	4	
PHY 170	Physics I	4	
PHY 116	Engineering Graphics II	1	
WRT 2XX	Effective Writing II	3	G
SPK 208 or 230	Public Speaking Bus. & Prof. Speech	3	G
	Humanities Gen. Ed.	3	G
		18	

Semester 3

MAT 261	Calculus III	4	
MAT 311	Linear Algebra ¹	3	
PHY 180	Physics II	4	
CHE 103	General Chemistry I	3	G
CRL 103	Exper. Gen. Chem. I	1	
	Behav. & Soc. Gen. Ed.	3	G
		18	

Semester 4

MAT 343	Differential Equations	3	
PHY 240	Intro. to Modern Physics	3	
PHY 260	Engineering Statics	3	
CHE 104	General Chemistry II	3	
CRL 104	Exper. Gen. Chem. II	1	
PHI 180	'J' Course & Humanities Gen. Ed. ¹	3	G
		16	

Semester 5

PHY 300	Mechanics	3	
PHY 310	Inter. Physics Lab I	3	
PHY	Physics Elective ²	3	
	'I' Course	3	G
	3-2 Elective Course ²	3	G
		15	

Semester 6

PHY 320	Inter. Physics Lab II	3	
PHY	Physics Elective ²	3	
PHY	Physics Elective ²	3	
	3-2 Elective Course ²	3	G
	3-2 Elective Course ²	3	G
		15	

'G' denotes a course which fulfills the University's General Education requirement. For a list of approved courses, consult the Undergraduate Catalog.

¹ This course is strongly recommended, but not required for all programs.

² Courses should be selected to fulfill program specific requirements. See appendix.

WCU Physics Degree Requirements:

- Majors will not be permitted to repeat any physics course more than once.
- Upper level courses (numbered 300 or above) must be completed with a grade of C (2.0) or higher.
- Physics electives are above the 300 level. Speak with your advisor about the appropriate elective for your engineering discipline.

Additional information for students matriculating to Case Western Reserve University:

- Available majors are Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Macromolecular Science, Materials Science, Mechanical and Aerospace Engineering, and Systems & Control Engineering.
- The minimum cumulative grade point average is a 3.0. Note: you must also have a cumulative GPA of 3.0 in your math and science classes.
- Complete a minimum of 90 credits hours at WCU.

Additional information for students matriculating to Columbia University:

- Available majors are Applied Mathematics, Applied Physics, Biomedical Engineering, Chemical Engineering, Civil Engineering, Computer Engineering, Computer Science, Earth and Environmental Engineering, Electrical Engineering, Engineering Mechanics, Engineering and Management Systems, Industrial Engineering, Material Science and Engineering, and Mechanical Engineering, and Operations Research.

For guaranteed acceptance into the program:

- The required minimum cumulative grade point average is a 3.30.
- A minimum grade of B (3.0) must be obtained on the first attempt in all science and mathematics prerequisite coursework (e.g. MAT 161, 162, 262, PHY 170, 180, CHE 103, and CSC 141).
- Online courses will not be accepted in the matriculation process.

Additional information for students matriculating to Pennsylvania State University:

- Available majors are Biological Engineering, Electrical Engineering, Energy Engineering, Engineering Science, Environmental Systems Engineering, General Engineering, Material Science and Engineering, and Mining Engineering. Other majors are not available.
- The required minimum cumulative grade point average is a 3.00. Original grades for courses that were repeated should be used in the calculation.
- A minimum grade of "C" (2.00) in MAT 161, MAT 162, PHY 170, and CHE 103 is required. These courses must be taken at WCU.
- The degree program with Penn State is not available to transfer students and must be completed within three years.

Additional information for students matriculating to Philadelphia/Jefferson University:

- Available majors Mechanical Engineering and (General) Engineering with concentrations in Architectural Engineering, Industrial and Systems Engineering, Composites Engineering and Textile Engineering.
- The required minimum cumulative grade point average is a 3.00. Original grades for courses that were repeated should be used in the calculation.

See Appendix for course specific recommendations.

Appendix for Cooperative Physics-Engineering Dual-Degree Programs advising sheet

Course recommendations for students matriculating to **Case Western Reserve University**:

- Students are encouraged to take PHY370 as a physics elective.
- Each specific engineering major has unique additional **recommended** courses. Students should consult the website for the Dual Degree Program at Case Western pertaining to their major of interest for other recommended course. Note: If these courses cannot be fulfilled, they will be integrated into the curriculum, which may possibly extend the program timeline.

Course recommendations for students matriculating to **Columbia University**:

- Students should consult the document titled *The Combined Plan Program at Columbia University* for information about foundational and major-specific prerequisite coursework that must be completed at WCU. Some of the engineering majors have three or more major-specific prerequisite courses, which may require an additional course to be taken during one of the semesters.

Course recommendations for students matriculating to **Pennsylvania State University**:

- The 3-2 Elective courses should be selected to satisfy course requirements at Penn State. Recommended courses are: ENG 371 Technical Writing, an Art Course, a Health Course, or a course that fulfills the requirement of a particular major. See Penn State's 'Check Sheet.'

Course recommendations for students matriculating to **Philadelphia/Jefferson University**:

- Physics Elective courses: Students intending to pursue Mechanical Engineering should take PHY 330, PHY 350, and PHY 370.
- General Education courses: For WRT 2XX, students should select WRT 200, 204, or 206. For Behav. & Soc. Gen. Ed., students should select PSY100, PSC101, or PSC343. For Humanities Gen. Ed., students should select HIS100, HIS151, or HIS 152. Details can be found on the WCU Department of Physics and Engineering homepage under Programs → Engineering. At the bottom of the page, click on the link for the B.S. Mechanical Engineering Full Checksheet.
